A WORD FROM THE EXECUTIVE DIRECTOR

Greetings, GHSA Football Fans:

Welcome to the GHSA football championships. The players, coaches, cheerleaders, and band members from these competing schools have put in many hours of work to prepare for this event. It is my hope that you will appreciate the performances that you will see in the magnificent setting of the Georgia Dome this weekend.

The Georgia High School Association thanks you for your support of high school football throughout this season. Spectators are a very important part of all high school athletics, and this is especially true for the school for which you are cheering. We do want to remind you that good sportsmanship is an essential element of high school athletics, and today is no exception. Be positive in your support of all the participants.

Behind the scenes of this magnificent event is a group of hard-working volunteers who will donate many hours of work this weekend to make this experience better for all participants. The GHSA office staff has been working for many weeks on the details that make this event so special. A great deal of planning and preparation has gone into this event by the excellent staff of the Georgia Dome, and they are prepared to assist you. I want to thank all these people for their dedicated work.

The quality of GHSA events such as this one is made possible through the help of corporate partners whose ads are displayed in this program and around the field. The GHSA thanks these fine organizations, and we encourage you to support them whenever possible.

People throughout the state of Georgia (and in parts of surrounding states) who cannot make it to Atlanta this weekend, will be able to share in the experience through live television production and Internet streaming provided by Georgia Public Broadcasting. The GHSA thanks GPB for their fine work. These games are also being aired on a number of radio stations across the state on the GHSA Radio Network.

Now sit back and enjoy high school football at its finest!

Cordially yours,

Dr. Ralph E. Swearngin Jr.

GENERAL INFORMATION

The Georgia Dome, the largest cable-supported domed stadium in the world, opened in 1992. Located in downtown Atlanta, the Dome is the home venue for the Atlanta Falcons, host to Super Bowl XXVIII and XXXIV, host of the gymnastics and basketball events for the 1996 Olympic Games and host to both a Men's and Women's NCAA Final Four. Annually, the Dome hosts the Bank of America Atlanta Football classic, the SEC Football Championship and the Chick-fil-A Bowl. The Dome is equipped to handle large non-sporting events which include everything from major trade shows to concerts by such entertainers as the Rolling Stones and Backstreet Boys to religious events by such ministers as Billy Graham and T.D. Jakes.

BASIC FEATURES

A total of 8,300 tons of reinforced steel was used to construct the Dome. That is more than the weight of iron and steel used in the Eiffel Tower. A 437-mile sidewalk, from Atlanta to Cincinnati, could be built from the 110,000 cubic yards of concrete used at the Dome. The building covers 8.9 acres and contains 1.6 million square feet on all seven levels. The 290-foot high roof is composed of 130 Teflon-coated fiberglass panels - covering 8.6 acres. The roof's supporting cable totals 11.1 miles and the Dome is as tall as a 27-story building.

UPCOMING EVENTS

The Georgia Dome hosts Monster Jam, Supercross, Professional Bull Riders, the SEC Football Championship, Chick-fil-A Bowl, the Bank of America Atlanta Football Classic and college basketball. For a complete schedule of events at the Georgia Dome, please visit www.gadome.com.

FOOD SERVICE

Levy Restaurants manages all catering, concessions and restaurant services. Levy has been recognized internationally for the superb cuisine and service that it provides the Georgia World Congress Center. Levy handles all food and beverage affairs, from small receptions to the world's largest banquets.

GEORGIA DOME TOURS

Take a tour of the Georgia Dome, the site of the SEC Football Championship, two Super Bowls, the 1996 Centennial Olympic Games, the 2002 and 2007 Men's and 2003 Women's NCAA Final Fours, Monster Jam, the Chick-fil-A Bowl, the Bank of America Atlanta Football Classic and Supercross. Georgia Dome Tours are offered Tuesday through Saturday. In-

dividual tours begin at Gate E located between Gate B and Gate C. Group tours and corporate packages are available. Individual tours take place Tuesdays through Saturdays except on days with events in the Dome, in which case the tour schedule may be affected. For details, call 404-223-TOUR. Tour hours are 10 a.m. to 3 p.m. (every hour on the hour).

SEATING CAPACITY

There are 8 Super Suites, 164 executive suites, the Penthouse Suite and 4,600 club seats. The Dome's permanent seating capacity is 71,250. The Dome has three times the code-required number of restrooms - all are accessible to guests with disabilities. A pair of C-5 military transport planes could fit on the Georgia Dome's floor, which contains 102,000 square feet of space.

DOMES SERVICE CENTERS

Need help finding your seat, a water fountain, a kosher dog or the pretzel stand? Stop by one of the eight Dome Service Centers (DSCs) located throughout the Georgia Dome. The Guest Relations Coordinators are there to help, and they want to make sure you have a great time! They also have information on:

TAG-A-KID PROGRAM

Provides children a bracelet displaying their name, parent's names, phone number and seat location to aid in their safe return if they should become separated from their party.

LOST AND FOUND

Items may be turned in or retrieved at all Dome Service Centers.

WHEELCHAIRS AND ASSISTED-LISTENING DEVICES

There is no charge for these items. A signed credit card form serves as a deposit, which is refunded when the item is returned. Individuals needing wheelchair assistance to their seats will find Guest Relations staff located at each of the eight gates at the Georgia Dome.

SMOKING WRISTBANDS

For the comfort and health of all fans, the Georgia Dome is a smoke-free environment. Smoking is permitted outside of all entry gates. If you wish to smoke, pick up a wristband at a Dome Service Center and proceed to the designated smoking areas outside the facility. You must present your wristband and your ticket to re-enter the Georgia Dome.

PREVIEW**

COLQUITT COUNTY 9-5, REGION 1, No. 3 SEED

The Colquitt County Packers came up just short of the state championships last season, falling in the semifinals to eventual champion Camden County. This year the Packers are in the championship game, a place head coach Rush Propst knows well. Propst, who won his 200th game last week against Grayson, won five Alabama state titles and appeared in seven straight title games. This squad is the first Colquitt County team to reach the title game since its 1994 state championship run. The Packer offense starts with the offensive line, where Xzavier Ward and company have been keeping the quarterback's jersey clean all season long. Last week against Grayson, the line gave the offense all sorts of holes to run through and gave quarterback Tyler Brown plenty of time to throw. Brown is one of three Colquitt players who have set school records on offense. Brown threw for two touchdowns against Grayson, both to Tommy Hudson, a record-setting wide receiver. The running game is also stout, with Tevin King churning up yardage and snagging touchdowns at a record-setting pace. The defense will have to be on its toes to stop the Brookwood multi-pronged attack, but the Packer defense has been opportunistic throughout the playoffs. Against Grayson, the defense blitzed the Rams away in the fourth quarter and forced a crucial fumble that was turned into the game-winning score. Colquitt entered the playoffs with a 5-5 record but now sit just one win away from a state title and a 10-5 year.

BROOKWOOD 13-1, REGION 8 CHAMPIONS, No. 1 SEED

The Brookwood Broncos began the season in the Georgia Dome with a win over Walton in the Corky Kell Classic. Now, the Broncos return to the Dome to try and finish off the season with a state title. Brookwood is currently riding an 11-game winning streak and boasts one of the best rushing attacks in the state. What would Brookwood be without a strong running game, and the Broncos once again have been dominant on the ground. Junior Nick Tompkins plays both ways, and has rushed for over 1,200 yards on the season. He should be looked at as one of the best backs in the state next season. Sophomore Jamaal Cole recently eclipsed the 1,000-yard mark for the season and can score from anywhere on the field. Mark Crews' defense is led by the extraordinary linebacker Cameron Lynch, who is always around the ball. Lynch has a knack for coming up with the big play and, last week against Collins Hill, the playmaker came up with a big interception of Taylor Heinicke to end a drive and push the Broncos into the final. Nick Moore is one of the best defensive backs in the Atlanta area, and he snagged two interceptions of his own against Collins Hill. Andre "AJ" Sims also roams in the defensive secondary. Sims is more often found on offense, snagging passes from senior quarterback Ben McLane. The 6-foot-2 signal-caller can sling the ball when given time and has the ability to pick apart a defense.

By Score Atlanta's Fletcher Proctor.

CLASS AAAAA SKINNY

The Brookwood Broncos are returning to the state final for the first time since 2005 and for the fourth time overall. The Broncos captured the state title under Dave Hunter in 1996, when the state championship games were played on campus. Hunter led the Broncos to three title games before giving way to Mark Crews, who was on the sidelines in 2005. Meanwhile the Colquitt County Packers, having made the semifinals one year ago, are in the finals for the first time since winning the state title in 1994. The Packers were state runners-up in 1991, as well as 1963 and 1937 when the school was known as Moultrie High School. Head coach Rush Propst has five Alabama state titles on his resume from his time at Hoover High School. Brookwood enters the game as Region 8-AAAAA champions while Colquitt County found its way to the title game as the No. 3 seed out of Region 1-AAAAA.

CHATTAHOOCHEE

14-0, REGION 7 CHAMPIONS, No. 1 SEED

Chattahoochee, under seventh-year head coach Terry Crowder, has used a prolific offense to compile a perfect 14-0 record for its best season in school history. The Cougars scored at least 30 points in all 10 of their regular season games and they eclipsed the 40-point mark in their final eight. Their closest game was a 35-14 rout of Forsyth Central. In the playoffs, though, Chattahoochee has done it the hard way. The Cougars scored routine wins over Pope and Dutchtown, but needed thrilling finishes to overcome Marist, 31-28, and most recently Statesboro, 22-21. Quarterback Timmy Byerly leads the offensive attack along with wide receiver Kane Whitehurst. Byerly passed for 316 yards in the win over Marist and orchestrated a comeback from eight points down with five minutes remaining to stun Statesboro. He has 2,533 passing yards, 1,397 rushing yards, and 50 total touchdowns. Whitehurst had nine catches against Marist and he scored three touchdowns in the victory over Dutchtown. Kicker Ammon Lakip has delivered in the postseason, booting a 51-yard game-winner against Marist and a 27-yarder as time expired against Statesboro. Heavily-recruited defensive end Barron Dixon anchors a Chattahoochee defense that is overshadowed, but effective. The unit has allowed more than 15 points only twice this season, which came against Marist and Statesboro.

STARR'S MILL

14-0, REGION 3B CHAMPIONS, No. 1 SEED

Starr's Mill mostly cruised through the regular season under first-year head coach Chad Phillips. The Panthers had relatively close contests with Whitewater and Northgate, but they won seven of their 10 games by at least 26 points. Along with playoff blowouts of Hardaway and East Paulding, Starr's Mill outscored Brunswick 42-34 and edged Tucker 20-19. Quarterback Adam Holley, running back Zach Laskey and fullback Davis Aasen lead the way for the Panthers on the offensive side of the ball. Laskey has more than 1,500 yards on the ground, breaking the single-season school record previously set by Reuben Houston in 2000. Both Laskey and Holley ran for more than 100 yards to storm back from a 20-point deficit against Brunswick in Round 2. Aasen, who also stars at linebacker on defense, scored two rushing touchdowns in the semifinals. One of Laskey's favorite targets is Alex Riddle, who caught the game-winner from 26 yards out to beat Tucker. Receivers Jake Thelen and Jeff Greene along with tight end Matt Hubbard are also important pieces in the Panthers' air attack. Defensive lineman Ufomba Kamalu will have the task of putting pressure on Byerly. Kamalu leads a defense that has posted five shutouts and has held opponents to fewer than 10 points nine times this season.

CLASS AAAA SKINNY

Both Chattahoochee and Starr's Mill are playing in the state championship game for the first time. Chattahoochee had not been to the semifinals since 1999. The Cougars had fallen upon hard times prior to this season, going 3-7 in 2008 and 4-6 last year. Class 5A competition, however, clearly had them prepared for a move down to Class 4A. They last qualified for the playoffs in 2007, but lost to Grayson 34-0 in the first round. Starr's Mill, the youngest program of all 10 finalists among the five classifications, last made it to the semifinals in 2000. The Panthers went a combined 14-17 in the three seasons prior to this breakout. They also reached the playoffs last year, only to get edged by Apalachee 27-24 in a first-round Class 4A thriller.

SANDY CREEK

14-0, REGION 4 CHAMPIONS, No. 1 SEED

This weekend will seem mighty familiar to the Sandy Creek Fighting Patriots. They were here last year and ended up winning the Class 4A state title. The Patriots have continued their winning ways this season after dropping down a classification. Like its opponent, Sandy Creek has yet to lose a game all year long, but unlike anyone in the state, it has won an astounding 28 straight games after handling No. 1 Peach Co. last week at home.

The offense is where Sandy Creek's bread is buttered. The Patriots have scored upwards of 30 points in all but two games this season. Alex Chisum, a 6-foot-3 wideout, is a tough matchup and a huge threat in the red zone. Ronnie Bell loves having that on the outside, as the quarterback has thrown for over 2,000 yards this season. He can run it a little, too, as can the two-headed monster of Derrick Alexander and Mike Hilton in the backfield.

Hilton leads the team in interceptions on the defensive end from the linebacker position. Chaz Johnston and Stefan Austin join him to form a strong unit. Look out for the Fighting Patriots' front seven, an extremely strong and dangerous bunch. Cornerback Bruce Dukes anchors a solid secondary. Jamal Ware joined Hilton with a key fourth-quarter interception last week, and he and Dukes provide a solid tandem to matchup with the Carrollton passing game. The defense has given up a few large point totals this year, but most of the scoring came in games already out of reach with younger players on the field.

CARROLLTON

14-0, REGION 6 CHAMPIONS, No. 1 SEED

The undefeated Carrollton Trojans' season can be summed up in one word: domination. Just ask their 14 victims on the season, very few of whom gave Rayvan Teague's boys any reason to sweat. This is a team that has outcored its opponents by close to 40 points per game, while an elite defense has allowed only six points per game and shut opponents out five times. Clearly, this is a team coming to the Georgia Dome that is used to winning big.

The Trojans can hurt you from anywhere on the field. Do-it-all running back Broderick Snoddy will be one of the fastest players on the field this weekend and is a threat to go the distance at any time. Snoddy has put up several impressive statlines in the playoffs, beginning with a 201-yard outburst in an easy round one defeat of Stephens Co., and capping it off with another great performance last week that included 113 yards and three scores in a 49-15 victory over Burke Co.

Carrollton can throw it, too. Just ask wideout Telvin Brown, who has been giving cornerbacks nightmares from day one. Two Trojans handle the duties from under center. Senior A.J. Barge is the starter, an experienced player who rarely makes mistakes. Junior Dallas Dickey, who should have the job all to himself next year, threw a touchdown pass last week.

Defense is also a priority for Teague, and he has one of the best units in the state. D.J. Robinson and Austin Collins anchor an aggressive defense that will try to get into the backfield and harrass the quarterback throughout the game.

By Score Atlanta's Josh Bagriansky.

CLASS AAA SKINNY

Chip Walker has turned Sandy Creek into a football powerhouse. He led the Fighting Patriots program, which began in 1992, to a state title in Class 4A last season after a 29-15 win over Clarke Central in the final. Walker had his team in the second round the previous two seasons. Although it took some time to make it a state title contender, Sandy Creek has been one of the more consistent programs in the state, having qualified for the playoffs nine years running. While Walker's team is quickly building a tradition, Carrollton has already done so. The Trojans' storied program includes a winning percentage of .770, 28 region titles and seven state titles. Their consistency is also something to marvel at, as they have been to the state playoffs every year since 1987. The Trojans have never been this far under Rayvan Teague, having lost in the quarterfinals four times during his nine-year watch.

CALHOUN

14-0, REGION 7B CHAMPIONS, No. 1 SEED

The key to the Yellow Jackets' success this year has been a balanced attack. The defense has allowed just over 10 points per game, while the offense is one of the highest scoring in the state at over 40 points per game.

Calhoun is led by senior running back Dustin Christian. He's a compact back at 5'9 and 170 lbs. Christian can run around or through defenders. In the semifinals, he ran all over Carver, Columbus for 111 yards on 24 carries.

The defense was able to hold Carver's all-state running back Isaiah Crowell to just 94 yards rushing. That's something that has been difficult to do, and it was key in helping the Yellow Jackets to a 27-14 win.

Quarterback Landon Curtis has accounted for six touchdowns (five passing, one rushing) in the past two games. It will be important for Curtis to contribute today against a tough Buford run defense.

Calhoun comes into the championship game with a 14-0 record, having won Region 7B-2A with a 6-0 mark. The Yellow Jackets were never seriously challenged in any game this season, as the closest margin of victory in any game was 13 points against both Dalton and Carver, Columbus. During the playoffs they defeated Manchester 44-8, Westminster 36-19, Fitzgerald 31-13 and Carver 27-14. The trip to the Georgia Dome is nothing new to this team, as today's game marks its third straight appearance. The Yellow Jackets have lost only four games in the past three years, but two of them have been to Buford in the state championship.

BUFORD

13-1, REGION 6A CHAMPIONS, No. 1 SEED

The Buford Wolves are looking to gain their fourth straight state championship today. They have been the most dominant team in the 2A playoffs this year by scoring over 50 points in three of the four games.

Defensive end Rick LeGrant anchors a tough unit that has given up just 179 yards and 10 points per game this season. The junior leads the team with 17 tackles for loss, including seven sacks, and is third on the team with 62 total tackles.

The offense is led by running back Seon Jones. He gained 177 yards on 11 carries in the 53-13 semifinal win over Lovett. He eclipsed the 1,000-yard rushing mark for the season in that game as well.

The Wolves have a 13-1 record this season, only losing to Carver-Columbus. They earned a No. 1 seed with a 4-0, 6A-2A region record. During the playoffs they defeated Hart County 52-22, Callaway 52-14, Cook 21-14 and Lovett 53-13. Much like Calhoun, the Wolves' games were not close this year. Their average margin of victory was 29 points. The 26 seniors have a chance to go out as nothing but state champions for their entire high school football career. In the previous three state championship games, the Wolves have outscored their opponents by a combined score of 108-31. However, last year's game was a close 13-10 win over Calhoun and that will weigh heavy on Buford's mind today.

By Score Atlanta's Joe Deighton.

Buford Wolves

(Buford, Ga.) • Green, Gold & White • Region: 6A-AA

CLASS AA SKINNY

Buford is historically one of the most successful teams in the state of Georgia. The Wolves have seven state championships. Amazingly, six of those championships have come since 2001. They won the title in 1978, 2001, 2002, 2003, 2007, 2008 and 2009. Buford has made the state playoffs every year since 1999. Since 1995, the team has missed the playoffs just once, that coming in a 4-6 1998 season. Calhoun has one state championship in its history, coming all the way back in 1952. However, since 2001, the Yellow Jackets have been one of the top teams in Georgia. They have made the playoffs every year since then and have at least 10 wins in each one of those seasons. They have lost the state championship game to Buford the past two seasons and to Charlton County in 2005.

**A
PREVIEW**

**CLINCH COUNTY
14-0, REGION 2 CHAMPIONS, No. 1 SEED**

There is only one undefeated team left in Class A and that team is the No. 1 Clinch County Panthers (14-0), champions of Region 2-A. Any discussion of the Panthers must start with do-it-all quarterback Tray Dorsey. In the semifinal tilt against Wilkinson County, Dorsey passed for 128 yards while rushing for 133 yards, including one score. For the season, Dorsey has now passed for over 1,200 yards with 14 touchdowns while also running for 24 touchdowns and nearly 1,500 yards. He is joined in the backfield by Anthony McNeil, who has been tearing up the competition in the postseason. Against ELCA, McNeil found the endzone twice in the fourth quarter to engineer a comeback victory. Last week against Wilkinson County, McNeil rushed for 187 yards on 20 carries and found paydirt four times. Clinch County will look to pound the ball against Savannah Christian and try and top its 321 rushing yards and 449 yards of total offense from the semifinals. The defense is also strong and held the Warriors to just 52 yards rushing and 150 total yards, most of which came after the result had been decided. McNeil contributes on defense, as does Fred Tiller, who had an early interception in the semifinal game against Wilkinson. Dalton Bennett leads a strong group of defensive backs that bend but don't break. For Clinch County to walk away with another state title, expect the Panthers to pound the ball with the Dorsey/McNeil backfield and try to contain the vaunted Savannah Christian rushing attack.

**SAVANNAH CHRISTIAN
13-1, REGION 3, No. 4 SEED**

One year after making it all the way to the Georgia Dome, the Savannah Christian Raiders are back and seeking redemption against Clinch County. The Raiders, 13-1 yet unranked upon entering the playoffs, have cruised with four straight road wins, all against higher-seeded opponents. Savannah Christian has held opponents to an average of less than 10 points per game and has allowed more than seven points just three times this year. Last week against Wesleyan, the Raiders held the Wolves' team rushing attack to just 18 yards. SCPS also intercepted two passes and took one to the house. The offense is strong as well, as the backfield can employ the production of running backs Andrew Moore and Nardo Govan, who ran for 127 yards against Wesleyan last week. Quarterback Harrison Curry has some playmakers to work with in Taylor Ivey and Will Austin. If Savannah Christian is to win a state title in 2010 after coming up short last season, the Raiders will likely have to have its defense once again rise to the occasion and come away with at least two turnovers, which could very well happen.

CLASS A SKINNY

The bright lights of the Georgia Dome likely won't intimidate either team, as both have experience in state title games. Just last season the Raiders of Savannah Christian competed on the Georgia Dome field for a state title, coming up just short against Wilcox County. The Raiders are trying to become the first former GISA school ever to capture a GHSA state title and the first Savannah-area school to win a state title since Savannah did so in 1969. Over the course of Clinch County's history, the Panthers have gotten to 13-0 three times prior to this season and all three times (1988, 1991, 2002) they won the state title. Clinch County coach Jim Dickerson was on the sidelines for the Panthers' most recent state title in 2004. Clinch was runner-up in 2006. A victory in Saturday's Class A championship game would give Clinch County a state title for the fourth straight decade.

NEW BEGINNINGS

GPB expanding coverage of state championship games to include webcasts

This season Georgia Public Broadcasting is stepping up its coverage of the GHSA State Football Championships. For years, fans have tuned into their local GPB channel and watched the five state championship games and that was all the coverage available. However, fans of prep football in the state of Georgia will be treated to pregame shows, broadcasts on the internet, shows between the games, and a slew of other features that will be available for the first time this season.

This is because last year GPB enjoyed record ratings for the broadcasts which showed those in control that fans wanted more of what GPB has to offer. After seeing how popular the championship games were, GPB released this statement: "GPB Media is responding by launching a new division, GPB Sports. GPB Sports will change the way Georgians experience high school sports by creating new programs and access across all its platforms."

President and Executive Director of GPB Teya Ryan is very excited about what this new division of GPB brings to the table, saying, "GPB is the only media outlet covering the entire state, so it just made sense to create a division dedicated to fully supporting high school athletes in Georgia."

NEW ERA AT GPB ...

Heading this new division is I.J. Rosenberg. The Director of Sports at GPB, Rosenberg is also the President of Score Atlanta and wrote for the Atlanta Journal Constitution for 13 years and is the writer of a best-selling novel. "I.J. brings fresh energy to GPB Sports – his work in print, new media, radio and television make him the perfect choice to head up this important new division," Ryan said.

In his opening statement as the Director of Sports at GPB, it was easy to see where Rosenberg wanted to take things. "The GPB platform will give us the ability to reach every corner of the state as we produce content for all high school

sports on television, radio, online, through social media and wherever technology takes us," he explained. "There isn't anything more exciting than high school sports, and we will be your home for high school sports in Georgia."

Rosenberg has stepped in and gotten the ball rolling immediately. "What we're realizing is that people are using the internet to get to high school sports," Rosenberg continued. "And digitally we're trying to give them cross-platform coverage."

Although championship games have been broadcast online before, Rosenberg wants to change how viewers watch on the internet. "The championship games have been online before, but we're working on making them much more interactive with a chat. We'll have game stories up immediately after the game along with photos. The streaming is going to be much better, much smoother."

Rosenberg also talked about why it was so important to stream these games. "While GPB hits 98 percent of the TV homes in Georgia, we want grandma and grandpa in Texas, the military in Afghanistan to watch and people from all over the world want to watch these games."

SPORTS CENTRAL ...

This year, in order to make the event even bigger than it already is, there will be a special live broadcast of Sports Central Thurs, Dec. 9, from the Georgia Dome. This live show will break down all five games as well as give fans all the information they need to know about a team that they might not have seen yet this season.

If this show is well received, it isn't hard to imagine it turning into a scene similar to ESPN's "College Gameday," where fans show up to support their team while experts break down the games that are about to unfold.

Not only will there be a live broadcast prior to the start of the games on Friday, but between each game there will be a live broadcast gearing

fans up for the next matchup. In previous years, there would be a break of at least half an hour between games during which fans would see regular GPB programming. Now, there is football from start to finish, leaving fans with little time to even get up to use the restroom.

Joining the normal Sports Central team for these special broadcasts will be Dave Hunter, Tommy Palmer, Bob Houghton and Michael Carvell.

NEW ANNOUNCE TEAMS ...

In the past, it has been up to Charles Ward, Jeff Van Note and two other announcing crews to do the announcing for all five championship games. This year, however, things will be a lot different. The Class AA game that gets the action started Friday at 4:30 p.m. will be called by Matt Stewart and Chuck Oliver with Niki Noto reporting from the sidelines. The second game on Friday, the Class AAAA matchup, will be the only game done by the veteran duo of Ward and Van Note with Jon Nelson on the sidelines.

The Class A game will get things started on Saturday and will be announced by Zach Klein from WSB-TV, Fletcher Proctor from Score Atlanta and Nelson, who will again have the sideline duties. FOX 5's Ken Rodriguez and Buck Lanford will be calling the Class AAA game with Noto returning to the sidelines, and finally, Dave Garner and Harper Lebel will be calling the Class 5A game with Nelson again on the sidelines.

This is only the beginning of Rosenberg's GPB plans. The future looks very bright as fan interest in the GHSA State Football Championships is growing by the year. "We're trying to make GPB Sports the home for all high school sports in Georgia," Rosenberg said.

If things continue in the direction they are going, that dream could become a reality very soon.

By Score Atlanta's Thomas Watson.

THE GACA HALL OF FAME

The Georgia Athletic Coaches Association was established in 1938 for the advancement of athletics in Georgia and is dedicated to high school coaches in the State of Georgia. The association established the Georgia Athletic Coaches Association's Hall of Fame in the year 2000, with the purpose of honoring and preserving high school coaches' accomplishments and to educate and inspire future generations.

The Northwest Georgia Trade and Convention Center in Dalton has been recognized by the Georgia House of Representatives, the Mayor and Council of the City of Dalton and the Whitfield County Board of Commissioners as the official and permanent site for the Georgia Athletic Coaches Hall of Fame. The Georgia High School Association has also endorsed the GACA Hall of Fame as the official Georgia High School Coaches Hall of Fame.

Annually, there is a Georgia Athletic Coaches Association Hall of Fame reception, awards banquet and golf tournament. During the Hall of Fame banquet, inductees and their families are honored.

For more GACA information please contact Terry Rogers at 770-578-6366 or trogers@gacacoach.com, or visit www.gacacoach.com.

GEMC COOPERATIVE SPIRIT SPORTSMANSHIP AWARD

Georgia High School Association (GHSA) and Georgia Electric Membership Corporation (GEMC) have named the 37 GHSA-member high schools to receive the 2010 GEMC Cooperative Spirit Sportsmanship Award, honoring exemplary sportsmanship demonstrated during the 2009-10 school year.

"We congratulate these high schools for their outstanding sportsmanship," said Dr. Ralph Sweargin, GHSA Executive Director. "School-based athletics should be an extension of the classroom in providing lessons that last for the student's lifetime. Sportsmanship is really nothing more than good citizenship expressed in athletic events, and that is an important life lesson."

Sponsored by GHSA and Georgia's EMCs, the Cooperative Spirit Sportsmanship Awards program was introduced in 2006 to honor GHSA member schools that exhibit outstanding sportsmanship. The awards program is designed to promote sportsmanship by honoring those who do it well, reinforcing GHSA's philosophy: "Student athletes, coaches, spectators, and all others associated with high school activities programs should adhere to the fundamental values of respect, fairness, honesty and responsibility."

The program honors student athletes along with fellow students, school staff, parents and game spectators, making the award not only a school, but also a community honor.

The Cooperative Spirit Sportsmanship Awards are presented annually to GHSA member high schools in the 40 regions in all five classifications. Region GHSA secretaries select winners based on sportsmanship demonstrated during the year.

Representatives from the EMCs have presented sportsmanship trophies to winning high schools within their service territories at presentations during fall athletic events.

A voluntary organization composed of more than 400 public and private high schools, the Georgia High School Association strives to promote good sportsmanship and a cooperative spirit among its member schools.

Georgia EMC is a statewide trade organization representing the state's 42 EMCs, Oglethorpe Power Corporation and Georgia Transmission Corporation. Through a statewide network, Georgia's EMCs provide electricity and related services to four million people, nearly half of Georgia's population, across 73 percent of the state's land area. Georgia's 42 electric membership cooperatives serve more customers than any other state network of EMCs in the nation.

GHSA SPORTSMANSHIP STATEMENT

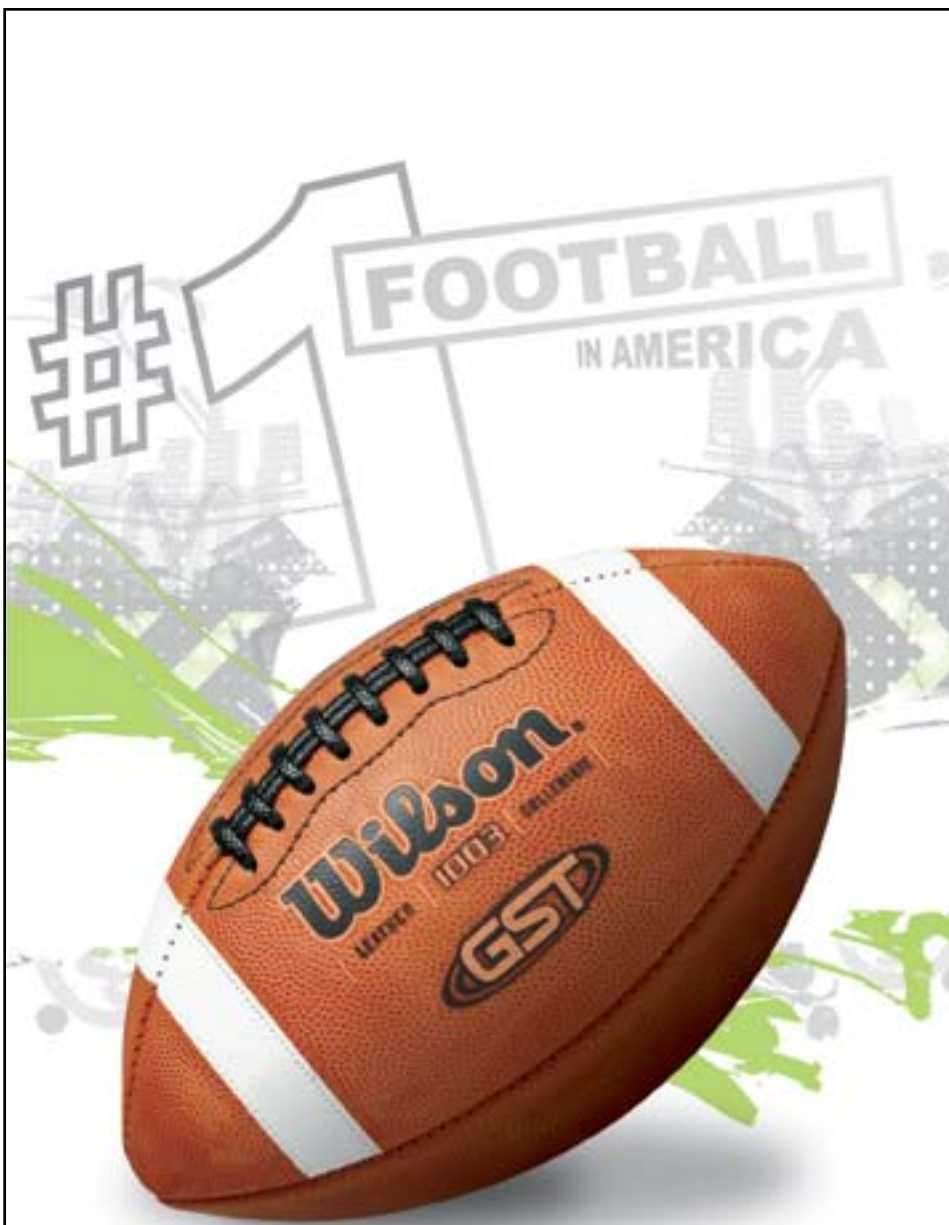

"The GHSA and its member schools have made a commitment to promote good sportsmanship by student/athletes, coaches, and spectators at all GHSA sanctioned events. Profanity, degrading remarks, and intimidating actions directed at officials or competitors will not be tolerated and are grounds for removal from the event site. Spectators are not allowed to enter the competition area during warm-ups or while the contest is being conducted. Thank you for your cooperation in the promotion of good sportsmanship at today's event."

Curt Miller, Ola High Athletic Director, receives their 2009-10 GEMC Cooperative Spirit Sportsmanship Award from a Snapping Shoals EMC representative.
