

WELCOME GIRLS' TRACK & FIELD FANS!

The tradition continues in Albany, Georgia, as the The tradition continues in Albany, College The GHSA Girls' State Track Meet will showcase atherem. The GHSA leticism, dedication, and determination. The GHSA anticipates a fantastic meet in which the best female Track and Field competitors in Georgia's high schools will compete over three grueling days.

There is no way that an event of this size could operate effectively without many hours of work done by a large staff of volunteers. These workers are coordinated by Johnny Seabrooks and Pam Hill of the Dougherty County Schools, and by Gary Phillips, GHSA Assistant Executive Director. Please notice and acknowledge the work of all these people during these three days of competition.

The high quality of the state championships managed by the Georgia High School Association could not be achieved without the support of our fine corporate partners. Please notice their signs and banners around the stadium, and utilize their products and service whenever possible.

Best wishes to all the athletes and their coaches! Enjoy yourselves, spectators, and remember to always display good sportsmanship!

Ralph Swearngin **GHSA Executive Director**
