WORD FROM THE EXECUTIVE DIRECTOR
**WELCOME GHSA
 TRACK & FIELD FANS**

Welcome to the 2024 GHSA Track and Field championships! The meet is sure to be exciting as all of the schools represented are looking forward to their team achieving the title of "Champion". However, we all know that all of our teams are outstanding and are definitely winners. This has been an outstanding season and this year's meet will include familiar faces as well as teams that have worked hard and peaked at just the right time. Our congratulations are in order for all of the teams, coaches, administrators, students and parents who have supported the athletes throughout this year's journey to the final meet. I know you will enjoy and appreciate the meet and all of the work leading up to this exciting event.

I would also like to thank you for your support of high school track and field throughout the season. Your attendance and support is integral to the success of high school athletics and for the team and individuals you are here to cheer on. Good sportsmanship is expected from our athletes and I urge you to be positive in your support of all our teams. Let's work together to make today's meet a great experience for all involved. To put on an event of this magnitude takes many volunteers who have worked tirelessly to provide a "first class" event. Many hours of work from this group will enhance the experience of our players, students and fans. The GHSA staff has been working for weeks as well to ensure a special event for all involved.

Finally, I would like to thank our corporate sponsors who make it possible to put on these championships. Their advertisements can be seen throughout this guide, and I encourage you to support them whenever possible. The GHSA wants to thank these exemplary companies for their involvement, we appreciate their support.

Thank you for your attendance and I know you are going to enjoy the best high school track and field anywhere!

Dr. Robin Hines
 Executive Director

ELEVATE YOUR RUNNING GAME

REIGNING STATE CHAMPS TO CLASH WITH FAMILIAR CHALLENGERS

BY CRAIG SAGER II | CSAGER@SCOREATL.COM

The 2024 GHSA Track and Field state championships are back for three days of historic action that will take place from May 9-11 at Hugh Mills Stadium (3A & 4A), East Jackson High School (A-DII & 2A), Carrollton (7A, 5A & Adapted) and Barron Stadium (A-DI & 6A). In Class 7A, Westlake is returning to state after sweeping the boys and girls state titles this past year for the first time since 2017. The boys were fueled by top finishes in the 4x100 relay, 400-meter dash and 4x100 relay and earned 60 points to top Walton and Buford—who each finished tied for second with 46 points. The Lady Lions topped 2018 state champion Marietta and won their seventh all-time state title in the process. Westlake's 73.33 points narrowly topped Marietta's 70 and Brookwood's 62. In Class 6A, Hughes made history on the boys side by winning its first-ever state title and Woodward Academy captured the girls crown for its fourth all-time title and second since 2021. The War Eagles were fueled by top finishes in the 4x100 and 4x200 relay but will have to replace 2022-23 Gatorade Player of the Year and hurdle specialist Olivia Powell—who is now competing for Ohio State. Powell left Woodward Academy as a two-time Georgia Team State Champion and is No. 2 all-time in the 300 meter hurdles and No. 6 all-time in the 100 meter hurdles in state history. Powell won individual titles last year

in the 100 and 300 hurdles and was also a state champion on Woodward's 4x100 and 4x400 relay teams. This year, Madison Gardner, Taylor Gullatte, Sydney Glee and Chelsea Williams will anchor the 4x100 relay team for Woodward.

CLASH OF CHAMPIONS

Region rivals Greater Atlanta Christian and Cambridge headline the girls Class 5A field. Greater Atlanta Christian and Cambridge finished first and second place, respectively on the girls side last year. The Spartans finished with 61 points and Cambridge tallied 54.50 for the runner-up total. These two state championship hopefuls squared off in the Region 6-5A championships last month and finished in a tie for first place with 146 points each. On the boys side, Dutchtown is coming off a dominant 48-point win (99-51) over runner-up Tucker last year for its second all-time title. That margin was the widest among all boys classifications, but this year the Bulldogs will have new talent replacing Nasia Lee—who cruised to victories in both hurdle events last year as a senior.

The Southwest DeKalb boys face a challenging Class 4A field as they compete for a third-straight boys state title and the Westminster girls are also

aiming for a three-peat this year. The Panthers narrowly defeated Starr's Mill (77.50) and Westminster (72.50) with 81 points last year and have graduated twin brothers Xzavier and Isaiah Taylor. On the girls side, Westminster dominated last year with 124 points to eclipse Druid Hills (64) and Pace Academy (54) and return Grace Smith—who left last year's championship meet with the most points out of any athlete in the state. Smith broke her own school-record in the long jump last week with a 20'1.75" and is among the top jumpers in the nation.

HISTORIC ACHIEVEMENTS

In Class 3A, the Sandy Creek girls won their first-ever state title and allowed the Patriots to sweep for the first-time in history as the boys picked up their fourth all-time championship and first since 2015 last year. Class 2A saw Athens Academy win its first-ever boys state title, while Landmark Christian captured its ninth state crown. The Mt. Pisgah boys took Class A-Division I for their first-ever championship and Athens Christian won its fourth all-time boys championship. Class A-Division II was swept by Montgomery County as the boys won a third all-time title and the Lady Eagles captured their first in program history.
